

Welcome to The Laboratory Medicine Congress & Exhibition in Korea!

LMCE 2017 (Laboratory Medicine Congress & Exhibition) & KSLM 58th Annual Meeting will be held at the Grand Walkerhill Seoul in Korea from October 18 to 20, 2017.

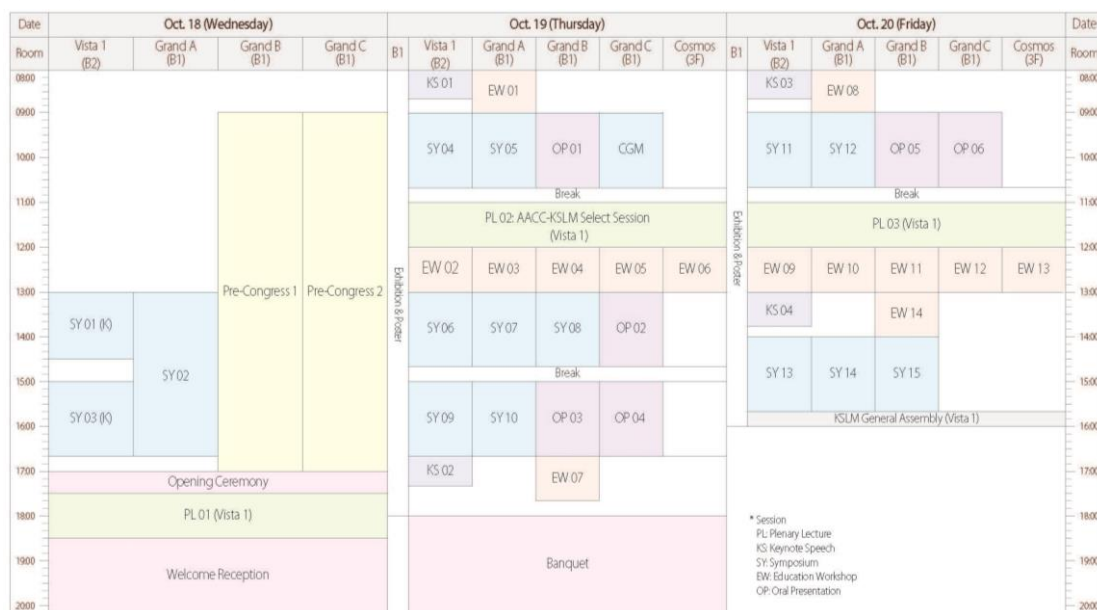

Under the theme of “Laboratory Medicine in the Era of Disruptive Technology,” LMCE 2017 will serve as a platform for speakers and participants to engage in a variety of presentations and dynamic discussions on innovative laboratory technology to lead a new paradigm in the field of laboratory medicine.

LMCE 2017 will be a highly rewarding international festival and we look forward to seeing you!
